## Council 5129

SEPT. 1, 2010

### GRAND KNIGHT'S CORNER

Take a look at what's happening to the Council. Do we communicate? Do we share? Do we take time to get involved with each other? Are there lost opportunities for Brotherhood?

Today's society makes it hard to be a family and a brotherhood.

The hustle and bustle of business, rushed meals, school, work, committee meetings, children's activities, sports, shopping, and much more, are leaving little time for anything else.

The battle is largely over time and commitments. To survive, the Knights of Columbus Council 5129 needs support. It's primary source of strength must be founded in a brotherhood that is willing to step up to the plate.

Stimulate togetherness within the Council. There are many ways in which each Brother can enjoy time together in a scheduled, organized, and a fun way. Join us on the first Thursday of each month. Become a committee member for one or more of the many activities throughout the year, or become a director and help to guide the Council.

Will I see you at the next meeting?

G.K.Thomas Pohlman

### GOLF TOURNAMENT

Steve Barno volunteered to represent KofC at the Columbian Golf Tournament to be held in Dayton on October 11th. This tournament is to help raise money to assist those studying to be priests.

### RAFFLE TICKET SALES

Approved at the last meeting was the plan for a KofC Raffle where winners are determined by the daily Ohio Lottery drawing. There will be a winner each week for the entire year of 2011. These tickets make excellent gifts for a birthday or even for Christmas.

Tom Miller and Tom McClurg will be co-chairing the event. Ticket sales could start as early as sometime this month. Watch your e-mail for further information.

### CHARTER MEMBERS

The question from a charter member was, "How many charter members are still living, and who are they?" Can anyone tell me? Ray Tebbe

### DAYTON CHAPTER KNIGHT OF THE YEAR

GK Thomas Pohlman nominated Bernie Pleiss, our Financial Secretary of many years, for the Dayton Chapter Knight of The Year Award, for all of his hard work. The motion was quickly seconded and approved.

### K of C WEBSITE

In an effort to keep the website current and serving the Council, feel free to contact me with your information and your ideas. Remember, it is still your site, so let me know what you would like to see. Your comments are invited and welcome.

### FIND THE KNIGHT

The Knight in this picture is easy to see. Not all the Knights are that easy to see. This is Pat Ewing, 28 year member, PGK, and currently our District Deputy. He got caught flipping brats and burgers at St. John's Festival in July. He doesn't ride a white horse, but he has been known to wear a cape and carry a sword.

Knights have been found doing numerous good deeds like helping to construct the bell tower, working with and raising money for the kids at Riverside, putting up and removing Christmas decorations, making sure the lights are all working in Church, and helping with the Festival.

It will probably be a Knight who is a greeter or an usher, or one who does the readings, and lend their voices and talents to the choir. You're probably sitting next to a Knight in Church on Sunday.

Even when you die and are placed to rest, Knights are making sure the cemetery is well kept. See how many Knights you can find?
